

Contest for students in Agriculture

How are we going to **Feed The World?**

By 2050 we will need to double the amount of food we currently produce to feed everyone in the world.

Who: Agriculture students

What: The fun thing is you can enter the contest in any way you like. Whether that be a video, an essay, a drawing, or photographs. Anything works, as long as it is your original work.

How: The contest theme is: **“Feeding the World”**

When: Submit it by October 20th, 2014.

Where: Submit to CentrolTVSocialMedia@outlook.com
Winners will be announced in October sometime.

Prizes: There will be several prizes!!
